- When there are 4 regionals the top three teams (5 players each) and teams tied for third place according to score will qualify for the state tournament. Individual qualifiers will consist of the top four medalists (regardless of whether they are on a qualifying team) as well as the next three individuals and those tied for third, who are not on a qualifying team.
- When there are 2 regionals the top six teams and teams tied for sixth place according to score will qualify for the state tournament. Individual qualifiers will consist of the top four medalists (regardless of whether they are on a qualifying team) as well as the next six individuals and those tied for sixth, who are not on a qualifying team.
- Individual Qualifiers will compete at the state meet for individual awards, but not for team places.
