## Year By Year

In Dual State competition, (which was begun in 1989), a team has to finish 1st in its District (4 teams). There are 8 Districts in each class. Only the Team District Champion qualifies for Dual State. It is a single-elimination tournament usually held the week before Regionals. The winner will be crowned the Dual State Champion.

In Team State Competition, the top 5 finishers at Regionals, in each weight class, advance to State. The 5th place finisher from the East Regional will wrestle the 4th place finisher from the West Regional and vice-versa.

**All State Wrestling (19)** - Coaches nominate players for All-State. The Tulsa World, the Oklahoman and the Oklahoma Coaches Association may select their own All-State team. If a student athlete is recognized as being All-State by any of these institutions/entities, then they are considered All-State by Bishop Kelley High School. Names are released in the spring following the wrestling season. The OCA All-State Wrestling match is held in late July.
