*With the 2014 season, the OSSAA determined that the Swimming programs should have Regional Meets. Two (2) Regional Meets will be held. The top eight (8) finishers in individual events from each regional will automatically advance to the State Championship meet. The eight (8) next best times from either regional will advance. For Relays - the top eight (8) finishers in relays, in each Regional, will advance to the State Championship meet.*

*Since the 1970's, BK has always had individuals who participated in swimming. In the mid-1980's, the team was alive and well with many members and local coaches, though still a "club" status. In the 1990's and the early 2000's, there wasn't necessarily a team but individuals were welcome to compete in the OSSAA sport. Faculty members served as BK's representatives at meets and at state. In 2008, that status officially changed. Melissa Powell '99 who had been assisting with the program since 2006, was named BK's first "official" coach.*

## All State Boys Swimming (9)

Coaches nominate players for All-State. The Tulsa World, the Oklahoman and the Oklahoma Coaches Association may select their own All-State team. If a student athlete is recognized as being All-State by any of these institutions/entities, then they are considered All-State by Bishop Kelley High School. Names are released in the spring following the swimming season. The OCA All-State swim meet is held in late July.
