

2021-2022

Bishop Kelley High School

Summer Math Program

Course: Geometry

DIRECTIONS:

- Summer math packets for this course are online at **Delta Math**.
- You will need to make an account to access the assignment.
 - Go to DeltaMath.com
 - click "Create Account"
 - type in your teacher code: **181332**.
 - You will make a username (Bishop Kelley email) and password
 - type your first and last name
 - select "Geometry Summer Math Packet" from a dropdown menu
- There is question help on all questions and most come with instructional videos
- You only get one answer per question, so if you miss a question, you will get a new, similar question
- An additional resource for help with this packet is <http://www.khanacademy.org>. It provides videos of about 10 minutes in length on hundreds of different math topics.
- Any questions – email me at sedmondson@bishopkelley.org
