

Need a common sense approach to help protect your child online that doesn't consume your time?

A FAMILY MEMBERSHIP WITH BARK IS THE SOLUTION.

Bark is an online safety solution powered by advanced algorithms that proactively alerts parents to potential dangers, including cyberbullying, sexting, drug use, internet predators, depression and suicidal thoughts - and provides expert recommendations on how to handle.

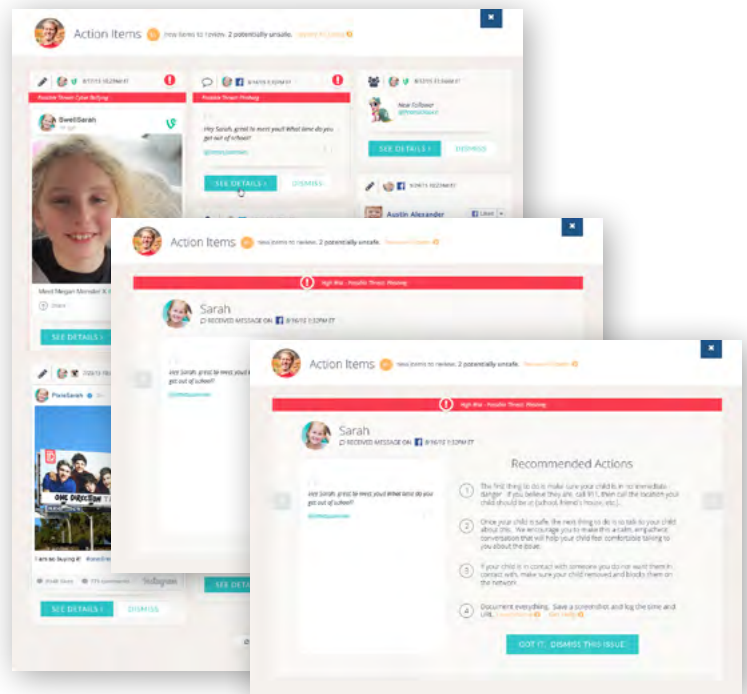

SIGN UP FOR BARK TODAY AT

<https://www.bark.us?ref=4JQ25WR>

OR USE PROMO CODE

4JQ25WR

- Bark donates 25% of your membership fee to us for the life of your membership!
- 7-day free trial! Then, Bark is \$9/month/family (unlimited children, unlimited connections).

SIGN UP

Parents work with their child to connect text messaging, social networks, and email accounts

GET ALERTS

Bark's technology monitors their accounts around the clock, and sends parents text/email alerts to potentially dangerous activity

TAKE ACTION

Parents get expert advice on how to react to the potential issue and talk with their child
